The following errors need to be corrected.

In section "Explaining the mechanism of MG and GL formation" (p. 7408), " $CH_2(OH)C(OO\times)$ (CH_3)CHO" should be " $CH_2(OH)C(OO\cdot)$ (CH_3)CHO".

Sect. 4 (p. 7410), " Y_{MVK} (18.9 \pm 0.8%) and Y_{MACR} (9.0 \pm 1.1%)" should be " Y_{MVK} (24.1 \pm 0.8%) and Y_{MACR} (10.9 \pm 1.1%)".

In Table 1, the value of R_{sur} for scenario 5, "1.3 × 10⁻¹⁷" should be "5.3 × 10⁻¹⁷".

On p. 7411, the equation " $R_{\text{sur}} = k_{\text{sur}} \{\text{ISO}\}_v \{\text{OH}\}_v A_s$ " should be " $R_{\text{sur}} = k_{\text{sur}} \{\text{ISO}\}_v \{\text{OH}\}_v A_s$ "

The authors wish to apologize for these errors.
