1 SUPPLEMENTARY MATERIAL

2

3

4 Figure S1. TOA shortwave and longwave fluxes, with symbols as in Figure 1, showing means for  
5 days with surface data.

6

7

8

9

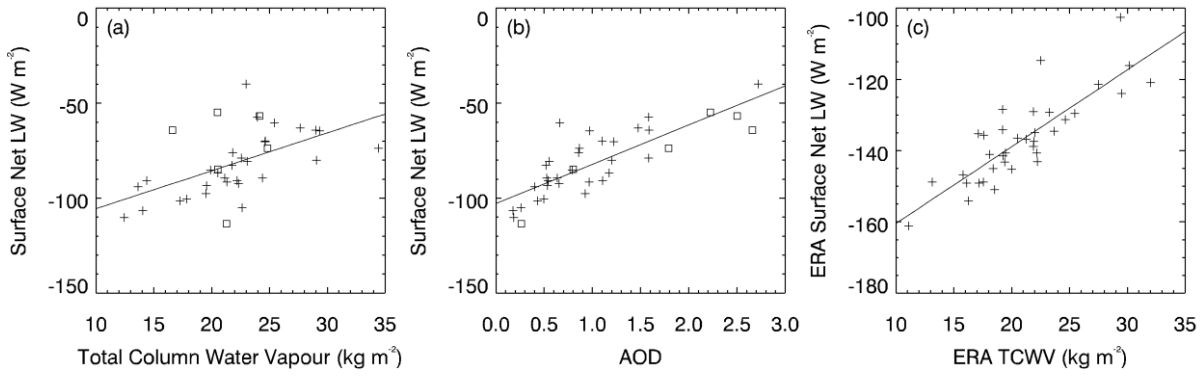

10

11

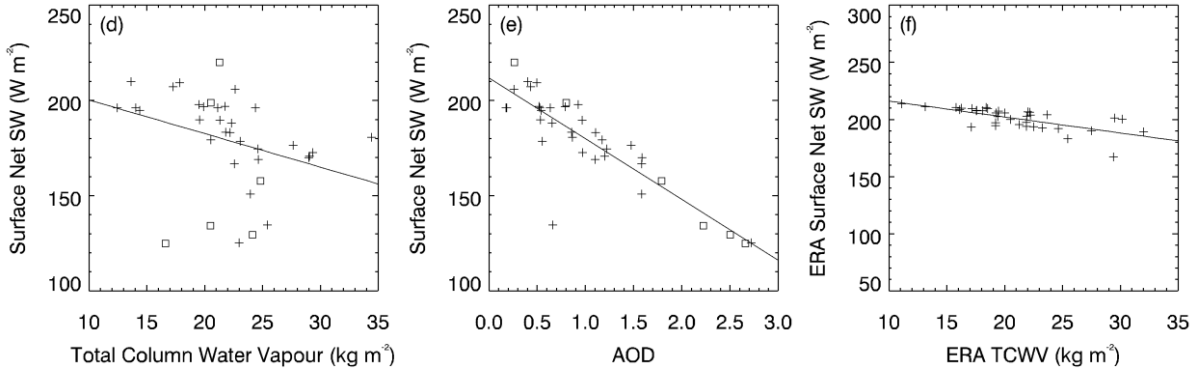

12

13

14

1

2

3 Figure S2. As Figure S1, but for surface fluxes.

4

5

6

7

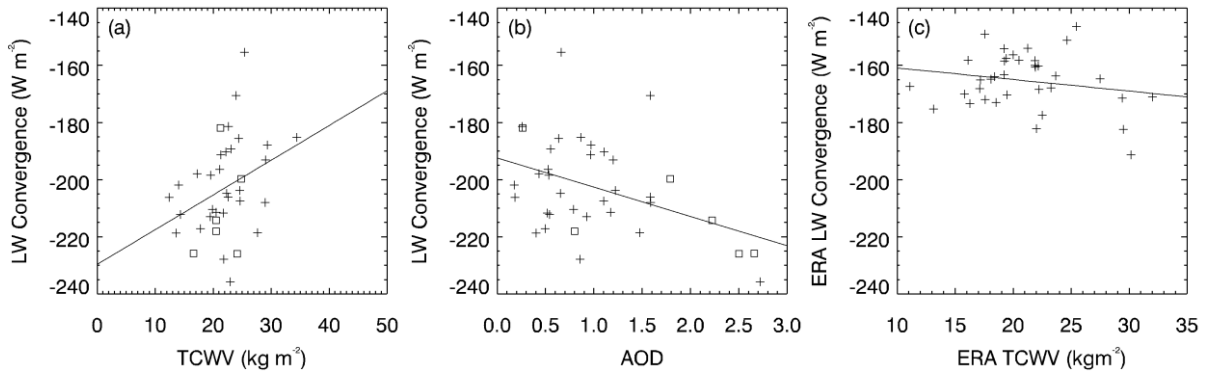

8

9

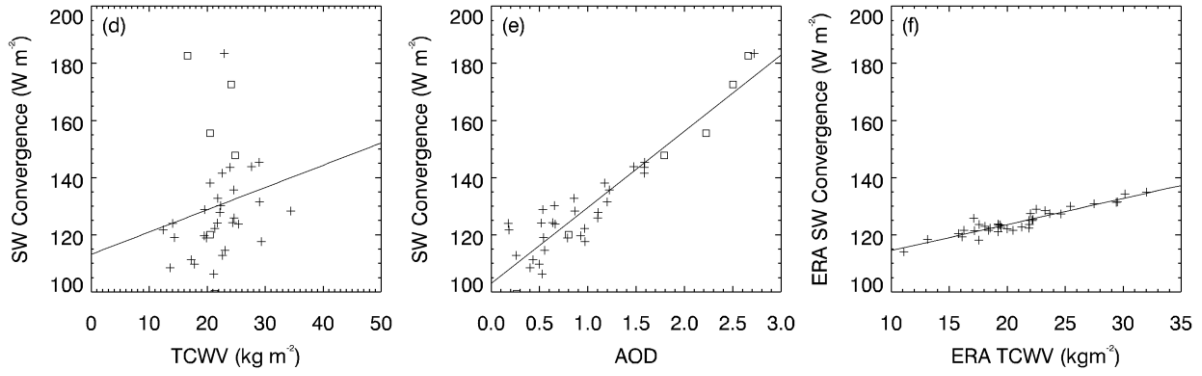

10

11

12

1

2

3 Figure S3. As Figure S2, but for inferred atmospheric heating (“flux convergence”)
