

Location	Instrument	Technique	Sampling period	Deployment duration
Algeria	LACO aerosol sampling station	Filter samples	1.5–12 h	6–30 June
	Real-time optical reflectometer	Optical reflectance	45 s	22–30 June
	Inverse integrating nephelometer	Scattering coefficient	4 s	6–30 June
Mauritania	LACO aerosol sampling station	Filter samples	6 h	23 May–26 June
