

(a) DW1 amplitude of chemical production term in March (ppm/day)

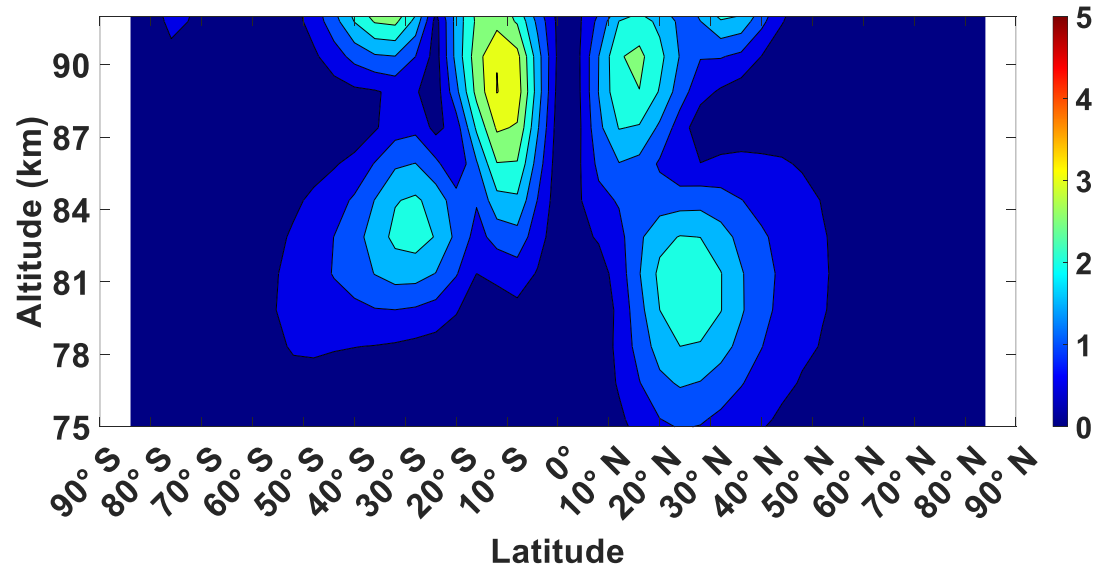

(b) DW1 amplitude of chemical loss term in March (ppm/day)

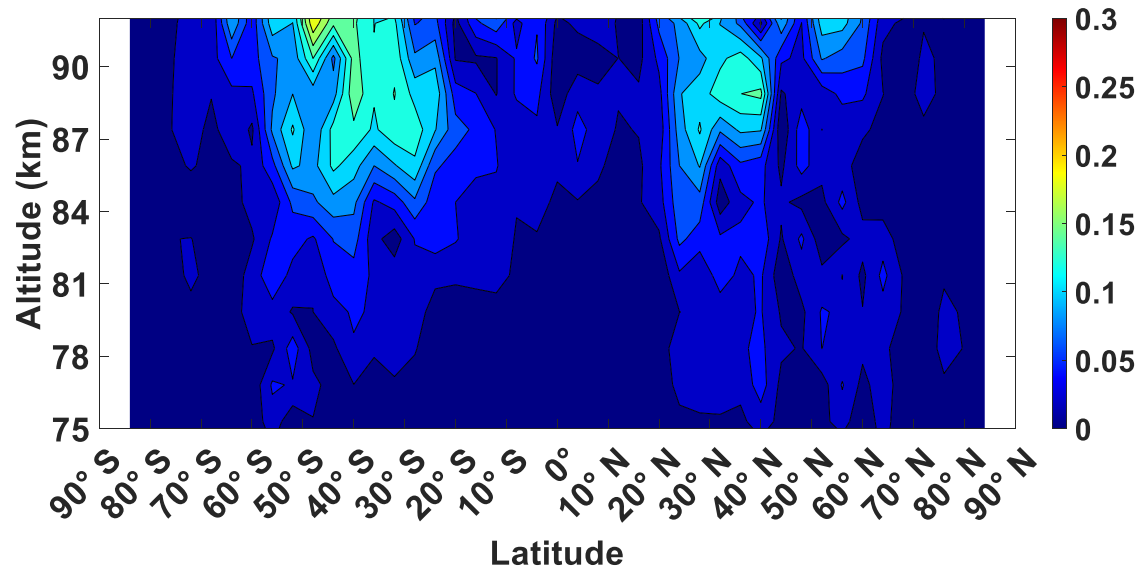

(c) DW1 amplitude of zonal advection term in March (ppm/day)

(d) DW1 amplitude of meridional advection term in March (ppm/day)

(e) DW1 amplitude of eddy diffusion term in March (ppm/day)

(f) DW1 amplitude of molecular diffusion term in March (ppm/day)
