We thank Anonymous Referee #1 for reviewing our discussion paper and for the positive comments. Here is a list of the referee’s suggestions (*italic*) followed by our answer:

Page 26963, line 11: Swiss Federal Council, 1999

The year ‘1999’ in that reference was wrong. It was replaced by year 2010a.

Page 26964, line 1: Easter and Peters (1993)

The year of publication is actually 1994. This was corrected and the missing reference was added

Page 26964, line 27: Zolghadri and Cazaurang (2006)

The missing reference was added.

Page 26965, line 2 and page 26976, line 4: Hooyberghs et al. 2005

The missing reference was added.

Page 26968, line 14: Seibert et al. (2000)

The missing reference was added.

At page 26978 the citation (Weber and Prévôt, 2002) is given two times in line 12 and 14. It seems to be correct to give the citation only in line 14.
