

Interactive comment on “Relating tropical ocean clouds to moist processes using water vapor isotope measurements” by J. Lee et al.

Anonymous Referee #1

Received and published: 22 July 2010

Dear authors,

thank you for your work and your efforts in writing this manuscript. I have read it with great interest. In my opinion it addresses a very promising and currently quickly evolving research field. I attach a pdf-file in which I give some comments about the manuscript. I hope that my comments are useful and contribute to a further improvement of your manuscript.

Best regards!
