

Interactive comment on “Automated ground-based remote sensing measurements of greenhouse gases at the Białystok site in comparison with collocated in-situ measurements and model data” by J. Messerschmidt et al.

C. Publications

publications@copernicus.org

Received and published: 12 December 2011

Unfortunately, an error occurred during typesetting: Fig. 6 is replicated in Fig. 7, but the captions are unchanged. Therefore, starting with Fig. 7 all captions are associated with a wrong figure.

The correct figures and captions are shown from Fig. 7 on in the supplement.

Please also note the supplement to this comment:
