

## ***Interactive comment on* “Shortwave radiative forcing and efficiency of key aerosol types using AERONET data” by O. E. García et al.**

**M. King (Editor)**

michael.king@lasp.colorado.edu

Received and published: 13 April 2012

I am satisfied with the revised response to the reviews, and encourage you to submit a modified manuscript accordingly. Please also note the following references which have been corrected:
