Dear Dr,

Thank you so much for sending us the review report on our manuscript ACP-2012-738. We appreciate the objective assessments made by the two anonymous reviewers and would like to thank them for their careful review. Hence we acknowledged their suggestions. On the basis of their comments, a major revision has been performed. We checked all the issues and answered them carefully. We have given below point-by-point replies to the comments referring to the changes made in the manuscript.

Best regards.

C12810
