Dear,

We would to thank the editor, Dr. Michel Van Roozendael, for taking care for the review process. We also want to thank the two referees for their positive response and their time spent on reviewing the manuscript. We are convinced that our manuscript has substantially benefited from their interesting remarks and proposed changes. The answers to the reviewers' comments (acp_uhiparis_finalresponse.pdf) and the revised manuscript (acpuhiparis_revised20130617) can be found as pdf-file in the zip-file. We are looking forward to your response.

Kind regards,

C14027
