

Interactive comment on “Modeling the influences of aerosols on pre-monsoon circulation and rainfall over Southeast Asia” by D. Lee et al.

Anonymous Referee #2

Received and published: 20 February 2014

There were some words missing in the last comment. The complete comment should be:

13) P32902, L17: “due to enhanced BBA activation” is inaccurate here. It’s simply due to the presence of additional BB aerosols.
