Dear Referees and Editors,

Thank you for considering our manuscript entitled “Variability of aerosol properties over Eastern Europe observed from ground and satellites in the period from 2003 to 2011”. Thank all the reviewers for taking the time to read and comment on this manuscript. Special thanks to Referee #1 for preparing such thoughtful and deeply review. We appreciate the general comments and are grateful for the specific comments, which greatly helped improving the manuscript. In some cases, we feel that the suggestions are out of the scope of the paper.

C1918

We responded to each referee comment and tried to take into account the suggestions from all referees. All changes and new references will include in the revised article.

Sincerely,

On behalf of authors

Andrii Bovchaliuk
