Received and published: 25 January 2013

The paper lacks of citing earlier work on aerosol systematic measurements performed in the Eastern Mediterranean Region (EMR), including dust transport from Africa to EMR. (e.g. <http://dx.doi.org/10.1029/2007JD009028>, 1680-7324/acp/2005-5-2065, doi:10.1029/2004JD004638, etc.)
