Dear the editor of Atmospheric Chemistry and Physics,

Enclosed please find our final revised manuscript (acp-2014-213) submitted to Atmospheric Chemistry and Physics. It has been revised according to the editors' comments (technical correction). We have changed "convective or cumulus cloud" to "cumulus cloud". In addition, the acknowledgement to anonymous two referees was added.

We wish this revised manuscript deserves to publication.

Thank you very much for handling our manuscript.

Sincerely,

Takuro Michibata
