

MS No.: acp-2014-208, Biotic stress: a significant contributor to organic aerosol in Europe?

By R. Bergström et al.

Authors' response:

We thank both reviewers for their helpful comments. For detailed (point-by-point) responses to all of the comments by the two reviewers we refer to the two author comments posted on ACPD (www.atmos-chem-phys-discuss.net/14/C3606/2014/acpd-14-C3606-2014-supplement.pdf and www.atmos-chem-phys-discuss.net/14/C7309/2014/acpd-14-C7309-2014-supplement.pdf).

We send also an annotated manuscript where the relevant changes to the manuscript can be seen. In addition to the colour-marked changes in the text, Figure 1 and Figure 2 have been revised and twelve new references have been added.
