

Technical corrections:

I.32: „use multivariate“-> „use of multi-variate“

I.80: „multi-variety“ → „multi-variate“

I.144: add a full stop between „well“ and „The“

I.436: add a full stop between „years“ and „For“

I.483: delete „000“

I.541 and Figure 4: in the text you state „BREAK-2012“, but Figure caption is „BREAK-2010, please check

I.565: „eventhough“ → „even though“

I.951: I would suggest to use „EP flux“ throughout the whole paper

I.610: remove one full stop

I.611: replace full stop with comma „Figure 7, panel C“

I.627: „EESC's“ → „EESCs“

II.689-692: Isn't this contradictory: first sentence „has a significant impact on post-break trends“, and second sentence „hardly has any effect on the post-break trends“ ?

I.702: do you mean variance instead of significance?

I.730: remove one comma
