Received and published: 19 December 2014

We thank you and the other reviewer for your insightful review and very constructive comments, which helped improve our paper greatly. We really appreciate your review very much! We also thank other three colleagues who also made very useful comments. We have revised our paper based on the comments from you, the other reviewer and other three colleagues. We also have reworded/rephrased some sentences which we believe can improve the paper. Our responses can be found in the attached response letter.

Please also note the supplement to this comment:

C10371
