

***Interactive comment on “Recent advances in understanding the Arctic climate system state and change from a sea ice perspective: a review” by R. Döscher et al.***

**Anonymous Referee #2**

Received and published: 21 May 2014

I have attached an annotated text. The language still needs much work. I have tried to help edit grammatical errors and the authors still need to do more work.

Please also note the supplement to this comment:
