Interactive comment on “Plant surface reactions: an ozone defence mechanism impacting atmospheric chemistry” by W. Jud et al.

W. Jud et al.

armin.hansel@uibk.ac.at

Received and published: 12 October 2015

Dear Editor, Dear Delphine Farmer

We would like to thank the three reviewers, which helped with their valuable comments and suggestions to improve the manuscript. Following the reviewer’s suggestions, we have carefully revised the manuscript. Please find in the attached PDF file the point-by-point response to the reviewer comments. The attached PDF file contains also a marked-up manuscript version highlighting all changes made.

With kind regards, on behalf of all co-authors,

Armin Hansel & Werner Jud
