

## ***Interactive comment on “On extreme atmospheric and marine nitrogen fluxes and chlorophyll-a levels in the Kattegat Strait” by C. B. Hasager et al.***

**C. B. Hasager et al.**

Received and published: 13 June 2003

The review comments are good in the sense our paper has increased in clarity after having considered the comments. Most notably some sections have been re-organized in order and an extra figure (#4) on the frequency distributions on chlorophyll a has been included.
