

Interactive comment on “SCIAMACHY validation by aircraft remote measurements: design, execution, and first results of the SCIA-VALUE mission” by A. Fix et al.

A. Fix et al.

Received and published: 2 March 2005

We would like to thank Referee #1 for his positive appraisal.

We fully agree that the title of the paper is misleading in the sense that we do not present validation results but only measurement result. We will change the title to reflect this fact accordingly.
