

Interactive comment on “Modelling the global tropospheric ozone budget: exploring the variability in current models” by O. Wild

O. Wild

Received and published: 2 May 2007

I am very grateful to the reviewer for their appreciative comments on this paper and for their favourable and positive response. I have made a number of small changes to the paper to clarify the discussion and to accommodate the suggestions of another reviewer, and hope that it is now suitable for publication in ACP.
