Interactive comment on “Global statistics of liquid water content and effective number density of water clouds over ocean derived from combined CALIPSO and MODIS measurements” by Y. Hu et al.

Y. Hu et al.

Received and published: 17 May 2007

We have made corrections to the manuscript following the suggestions of the Anonymous Referee #2:

1. we added more details on spatial/temporal span of the CALIPSO and MODIS data used for this study;
2. the typo on page 4067 is corrected;
3. we reversed the order of figure 4 and 5;

Interactive Discussion

Discussion Paper

4. we removed the CloudSat related discussion;

5. the references are changed as suggested.

We would like to thank the reviewer for making the suggestions.
