

Interactive comment on “Medium-range mid-tropospheric transport of ozone and precursors over Africa: two numerical case-studies in dry and wet seasons” by B. Sauvage et al.

B. Sauvage et al.

Received and published: 25 July 2007

We would like to thank all Reviewers for their useful comments on our ACPD paper "Medium-range mid-tropospheric transport of ozone and precursors over Africa: two numerical case-studies in dry and wet seasons". Their comments allowed us to improve the paper. Our responses to their comments and the changes for the revised manuscript for ACP (appearing in italic in the latter) are detailed in the accompanying responses to each Referee.
