

Interactive comment on “Precision validation of MIPAS-Envisat products” by C. Piccolo and A. Dudhia

C. Piccolo and A. Dudhia

Received and published: 8 March 2007

Equivalent plots to Figs 7 & 8, where profile pairs with a day/night variability have been removed, could be found at:
<http://www.atm.ox.ac.uk/group/mipas/meetings/m113.html#precision>

Our conclusion is that there is not much difference.
