Received and published: 14 March 2007

The figures 2 to 10 are supposed to be figures 3 to 11, so that figure 2 is missing. All figures can be found at <http://folk.uio.no/asovde/pub/acpd-2007-0045/correction.html>

Sorry for the inconvenience, figures will be corrected when the article is ready for ACP publication.
