***Interactive comment on “Elemental content of
PM_{2.5} aerosol particles collected in Göteborg
during the Göte-2005 campaign in February 2005”
by J. Boman et al.***

D. Chen (Editor)

deliang@gvc.gu.se

Received and published: 6 July 2008

The rankings of the referees motivates the acceptance of the paper. In addition, the technical mistakes pointed out have been taken care by the authors in the revised version. I therefore accepted the manuscript in its current form for publication.
