

Interactive comment on “Homogeneous vs. heterogeneous nucleation in water-dicarboxylic acid systems” by A. I. Hienola et al.

A. I. Hienola et al.

Received and published: 15 December 2008

The authors gratefully acknowledge the comments of the Referees and appreciate their careful reading of the manuscript, which definitely improved its quality.

As all the comments are of technical nature, we will not go through each and every one of them. We just mention that all the changes suggested by the Referees were incorporated in the revised manuscript without argument.

Interactive comment on Atmos. Chem. Phys. Discuss., 8, 18295, 2008.
