» TECHNICAL COMMENTS Title: The title reads a little awkwardly. The words “in correspondence of” could be replaced by “corresponding to” or “in coincidence with” or “coinciding with”. e.g. “One year of CNR-IMAA multi-wavelength Raman lidar measurements coinciding with CALIPSO overpasses: Level 1 products comparison”. (Note also use of plural - CALIPSO “overpasses”). See also P8442 L12.

We modify the title taking into account both referee 1 and 2 comments: One year of CNR-IMAA multi-wavelength Raman lidar measurements in coincidence with CALIPSO overpasses: Level 1 products comparison.
