Corrigendum to “Response to Reviewer #4”

In the Author Comment C11913 “Response to Reviewer #4” by Xuesong Wang on 06 Apr 2010, two errors have occurred in the production process.

1. On page C11914, the last two lines: the correct sentence should be: “To include more specific understandings on regional O<sub>3</sub> formation in PRD, we revised our conclusion on page 26853 line 20-26 as follows :”.
