Dear Dr. Harald Saathoff

We thank you for your time and the second evaluation of the manuscript acp-2015-1032. Based on your comment we have extended the captions for Figs. 13-16 and Tabela 3-7 so that they are now self-explanatory. We have uploaded all necessary files for production in the portal, including a complete version of the manuscript in PDF format, the manuscript source file in T_EXformat, the references in bibliography in T_EXformat, and all figures in zipped format. We hope that this submission will assist your final evaluation of the manuscript and initiate the production phase. Please do not hesitate to ask us whether you need any further information.

Best Regards,

Amir A. Aliabadi, on behalf of all co-authors
