Received and published: 26 January 2017

Dear Editor, dear Reader,

Unfortunately, another typo was identified in Eq. (1) of the manuscript. An extraneous term ($q-1$) should be removed from the denominator. The correct formulation should read:

$${}^{\text{rare},i}f = \frac{{}^{\text{rare},i}R \cdot q}{1 + \sum_j {}^{\text{rare},j}R}, \quad {}^iR = (\delta^i + 1) \cdot {}^iR_{\text{st}} \quad (1)$$

We are indebted to Franziska Frank (IPA, DLR Oberpfaffenhofen) for pointing out this error.

With apologies, on behalf of all authors,

S. Gromov
