Dear Co-Editor Dr. Jason Surratt and Referees, We highly appreciate the detailed valuable comments of the three referees on our manuscript of “acp-2017-115”. The suggestions are quite helpful for us. We have incorporated them in the revised manuscript to improve the quality of our paper. Please see the detailed point-by-point response below and the changes marked blue in the revised manuscript.

Thank you very much!

Best regards, Min Hu On behalf of co-authors
