

Interactive comment on “The underestimated role of stratosphere-to-troposphere transport on tropospheric ozone” by Thomas Trickl et al.

Thomas Trickl et al.

thomas.trickl@kit.edu

Received and published: 28 May 2018

Question for Editor: It was suggested to remove Dr. Scheel from the list of authors since he passed away several years ago. Due to his important contribution to our work on this subject I would prefer to see him as co-author.
