

Interactive comment on “Detection of O₄ absorption around 328 nm and 419 nm in measured atmospheric absorption spectra” by Johannes Lampel et al.

Johannes Lampel et al.

johannes.lampel@iup.uni-heidelberg.de

Received and published: 11 September 2017

R. G. Ryan pointed out that the previous supplement file contained erroneous data, which is why the supplement file has been replaced today by a corrected one. We thank Robert for pointing this out.
