Dear Gerrit and co-authors,

I am glad that the previous comment was helpful. Thank you for providing the corrected figure.

On another note, the following paper (published yesterday) may be a relevant reference:

Wang et al. (2017), Trends and Variability in Aerosol Optical Depth over North China from MODIS C6 Aerosol Products during 2001–2016, *Atmosphere*, <https://doi.org/10.3390/atmos8110223>
