

Interactive comment on “Spatial and temporal variability of snowfall over Greenland from CloudSat observations” by Ralf Bennartz et al.

Ralf Bennartz et al.

ralf.bennartz@vanderbilt.edu

Received and published: 15 April 2019

We thank all three reviewers for their thorough and constructive comments. We hope to have clarified the issues the reviewers brought up and we feel that the revised version of the manuscript is significantly improved.

Please see our detailed response to all three reviewers' comments in the attached PDF.

Please also note the supplement to this comment:
