We would like to thank the Reviewer 2 for your careful and positive review on the manuscript. All the correction in this revision process are marked by red color. Following is our response.

Reviewer 2

This manuscript is well constructed and easily followed. I found several absences of "the" and "a" and it is better to use "AEROENT stations" to replace "AEROENT sites". I suggest the authors asking a native English speaker with a geography Ph.D. to thoroughly check the English.

Response: We have corrected the absences of "the" and "a" and replace all
