Received and published: 25 July 2018

Dear anonymous reviewer #2,

we would like to thank you very much for your comments and ideas to help improve our manuscript. We will carefully go through the details to prepare a revised version.

In the last sentence of your review you write that a commented PDF is attached. Unfortunately, we could not find the attachment in the interactive discussion. Therefore, we kindly ask you to double check and upload this file again. Thank you!

A detailed response to your review will follow soon.
