

***Interactive comment on “Assessment of
Pollution-Health-Economics Nexus in China” by
Yang Xia et al.***

Anonymous Referee #1

Received and published: 28 July 2018

I recommend publication after some minor changes: 1. Reply to the authors' response to the specific comment NO.2: Thanks for explaining this. I believe other readers also want to have this information. Please provide it in the Supplement text. 2. Reply to the authors' response to the specific comment NO.6: "includes" should be "including".

Interactive comment on Atmos. Chem. Phys. Discuss., <https://doi.org/10.5194/acp-2018-484>,
2018.
