

Interactive comment on “Comparison of Antarctic polar stratospheric cloud observations by ground-based and spaceborne lidars and relevance for Chemistry Climate Models” by Marcel Snels et al.

Anonymous Referee #1

Received and published: 20 September 2018

There was a mistake in wording in <General Comments>

(Wrong) Also, there are too many typos and careful mistakes in the draft.

(Correct) Also, there are too many typos and careless mistakes in the draft.

Please also note the supplement to this comment:
