Received and published: 23 January 2019

On behalf of the authors, I would like to sincerely thank referee#1 for the time and effort taken to review our manuscript. Your suggestions have undoubtedly resulted in a much improved article.

We have made a considerable effort to make the manuscript easier to follow. The results and discussion sections have been combined, the section headers are clearer and the figure captions contain more details.

A detailed response to each comment can be found in the attached supplement.

C1

Kind regards, and behalf of the authors

Nick Marsden
