Dear Prof. Jianmin Chen RE: acp-2018-969

Thank you very much for your decision letter on our MS. After the serious revision following the comments and suggestions of two anonymous reviewers, we are submitting our revised MS to Atmospheric Chemistry and Physics (ACP). We have prepared the point-by-point responses of all the remarks of anonymous reviewers, which are attached here. Please refer the revised MS, in which changes are highlighted in yellow. We hope that the revised MS is now ready for acceptance to be published in ACP. Response letter to the Referees has been attached as a pdf supplement file.
