

Interactive comment on “H-migration in peroxy radicals under atmospheric conditions” by Luc Vereecken and Barbara Nozière

Luc Vereecken and Barbara Nozière

l.vereecken@fz-juelich.de

Received and published: 24 March 2020

An in-depth answer to the comment by Referee #1 required a sizable addition to the manuscript, so we already provide a version of this addition at this time, in case any of the referees would like to comment before we submit our full revised version.

Please also note the supplement to this comment:
