Received and published: 30 September 2020

We would like to thank the referees very much for giving us valuable comments and suggestions. We have revised the manuscript to address those comments and also made other corrections to improve the clarity of the presentation. The detailed responses to the referees' comments are attached in the Supplement.

Interactive comment on Atmos. Chem. Phys. Discuss., <https://doi.org/10.5194/acp-2020-395>, 2020.
