

Comments to the Author:

Dear Authors,

Your manuscript has been much improved after revisions. I am accepting the manuscript for publication in ACP. However, before uploading your manuscript, please have a professional English language service or a native English speaker to read through the manuscript to improve the grammar of your manuscript.

Best regards,
Xiaohong Liu

Responses to the Editor:

Dear Editor,

Thank you for your efforts for handling our manuscript. We have employed an English-language editing service to polish our manuscript. Certification attached as following.

Certificate

Reference number: 2021-YangYuanjian-7-R1

Date: 12 May 2021

Contact author: Yuanjian Yang

Manuscript: Large-scale synoptic drivers of co-occurring summertime ozone and PM2.5 pollution in eastern China

This document certifies that the above-detailed manuscript was edited by a native English-speaking expert at LucidPapers on the date stated.

Following the editing process, the editor's overall assessment is that:

The manuscript will be ready for consideration by the target journal once the edits have been checked and approved/rejected as necessary.	
The manuscript may require modifications to the text in response to the editor's changes and comments/queries, but a second check of any such modifications is unlikely to be needed before sending to the target journal.	<input checked="" type="checkbox"/>
The manuscript requires modifications to the text in response to the editor's changes and comments/queries, and a second check of any such modifications might be advisable before sending to the target journal.	
The manuscript requires modifications to the text in response to the editor's changes and comments/queries, and a second check of these changes is recommended before sending to the target journal.	
The manuscript requires major changes, rewriting and restructuring and a second edit of the entire paper is strongly recommended before sending to the target journal.	

Signed:
