

We would like to thank the Editor for considering our request. Specific answers and manuscript modifications related to the Editor comments are given below in red text.

## **EDITOR**

I am looking forward to the submission of a version of your manuscript in which you either provide a DOI link to a reliable public data repository where your data have been uploaded or, alternatively, attach the data as supplementary information.

A/. The data shown in the figures of our manuscript was added to the Supplementary Material (Tables S3 to S14).

The following text was added to the revised manuscript. Lines 684-685: “***Data availability.*** The Data from the present work can be found in the Supplementary Material (Tables S3-S14). Also, it is available upon request to the corresponding author.”
