---

Dear Dr. Burrows and the ACP editorial team,

I am writing to acknowledge the receipt of your correction comment. The authors have agreed on revising the text as suggested (not shown --> not shown to protect location privacy), and I will upload the updated production files accordingly.

On behalf of the authors, I would like to express our appreciation to your continued support and all invaluable comments from referees. We hope to continue sharing success with you and ACP.

Best wishes,

Naruki Hiranuma

Subject: [External] acp-2020-863 (author) - manuscript accepted with corrections

Dear Naruki Hiranuma,

We are pleased to inform you that the Editor report for the following ACP manuscript is now available:

Title: Ice-nucleating particles in precipitation samples from West Texas  
Author(s): Hemanth S. K. Vepuri et al.  
MS No.: acp-2020-863  
MS type: Research article  
Iteration: Correction

The Editor has decided that some corrections are necessary before the manuscript can be published. Please log in using your Copernicus Office user ID 203002 to find the Editor report at:

[https://editor.copernicus.org/ACP/ms\\_records/acp-2020-863](https://editor.copernicus.org/ACP/ms_records/acp-2020-863)

We kindly ask you to upload the files required for the production process no later than 24 Feb 2021 at:

[https://editor.copernicus.org/ACP/production\\_file\\_upload/acp-2020-863](https://editor.copernicus.org/ACP/production_file_upload/acp-2020-863)

Please find all information on manuscript submission at: [https://www.atmospheric-chemistry-and-physics.net/for\\_authors/submit\\_your\\_manuscript.html](https://www.atmospheric-chemistry-and-physics.net/for_authors/submit_your_manuscript.html)

Please note that all Referee and editor reports, the author's response, as well as the different manuscript versions of the peer-review completion (post-discussion review of revised submission) will be published along with your final-revised paper in ACP.

You are invited to monitor the processing of your manuscript via your MS overview at:

[https://editor.copernicus.org/ACP/my\\_manuscript\\_overview](https://editor.copernicus.org/ACP/my_manuscript_overview)

In case any questions arise, please do not hesitate to contact me. Thank you very much for your cooperation.

Kind regards,

The editorial support team
