Point-by-point reply to the comment

Dear Dr Hamryszczak and co-authors,

I am happy to accept your manuscript for publication as measurement report in ACP after the following technical corrections:

- Please make sure that the title of your paper starts with "Measurement report:"*
- Please make sure that the data you present in your paper can be accessed via a doi.*
- Please make sure the the data are available under a non-restrictive license such as CC0 or CC BY.*

Kind regards,

Gabriele Stiller

Dear Dr Stiller,

Thank you for your comment.

The title of the paper was changed to “Measurement report: Hydrogen peroxide in the upper tropical troposphere over the Atlantic Ocean and western Africa during the CAFE-Africa aircraft campaign”. Further, the data availability was changed according to the request and can be now accessed via a DOI under a non-restrictive license (<https://doi.org/10.5281/zenodo.784589>).

With best regards,

Zaneta Hamryszczak
